- Research and provide at least three (3) options for accommodations and, if applicable, flights
- Coordinate private transfers
- Read, analyze and share the booking rules for each component of your trip
- Design itinerary to have the perfect balance of activity and relaxation **YOU** want
- Coordinate and organize daytime and evening activities, including restaurants, shows, entertainment, museums, etc.
- Ensure tickets are readily available, so you do not have to wait in any lines
- Design a plan to maximize your time in the destination, so you know which areas to go to and when to minimize crowds
- Provide you with insider travel trips specific to your destination and travel style
- Ensure all your documentation is prepared - in digital and paper format
- Triple-check your documentation to ensure you have everything
- Ensure you have the right travel insurance policy to cover your itinerary. Everything important to you, from medical to luggage to delays, cancellation costs, change of travel costs, is included, and that your policy aligns with your itinerary.
- Ensure the feelings and experiences you want to capture and bring home as memories are checked off
- Pre-departure support to answer any questions you may have
- During travel support (email, chat, phone call)
- Provide guidance on entry requirements
